Spanking Richie

Richie and Patrick are just casually laying down on Richie's bed Patrick snuggled up in Richie's armpit even though he's taller he looks so much more shorter right now,

All of a sudden out of nowhere Richie speaks up

y'know I've never been spanked before? Says Richie

Oh yeah that's interesting says Patrick

Not even when I was little and we all know I was half the little shit I am now says Richie laughing

Well I've had my fair share of spankings from my parents and it's not what I'd call fun says Patrick

Richie just frowns and nods he hated the fact that Patrick was basically abused his whole life which is probably why he's considered a fucked up individual only Richie knows his true self which is sad but Patrick wasn't about to become the school wuss he'd much rather put on a show than deal with those assholes at Derry high,

hey Patrick says Richie running his hand through Patrick's hair

Yeah?

Would you spank me? Says Richie turning over with his ass in the air

What? No I'm not gonna do that why would you want that? Asked Patrick sitting up

It might be fun thinking about you spanking me gets me hard I'm leaking pre cum right now says Richie giggling wiggling his ass

patrick had to think about this for a second did he really wanna start spanking his boyfriend? It would be consensual and a lot of people do it during sex maybe it would bring a nice thing to do in the bedroom Patrick thought

Suddenly Patrick was on his knees he harshly pulled down Richie's jeans and boxers he could see his hard rock dick dangling and his balls looked hard as a rock veins and everything Patrick started to feel himself harden as he took one swing at Richie's left ass cheek making the younger boy twitch and moan

That's it harder daddy I've been so fucking bad says Richie in a passionate tone

Patrick took Richie's ass in both his hands squeezing hardly as he swatted again my harder than before

Richie was stunned he didn't expect to feel that much pain and pleasure he gripped onto his bed sheet tightly

Without any thought Patrick swatted again harder enough to leave welts and red marks

He did it over and over in that same way until Richie was on the verge of tears

After he had finished he grabbed some lotion out of Richie's dresser and applied it smoothly against his reddened ass he than pulled Richie by his head of thick curls and kissed him passionately he than pulled his pants back up and laid him down next to him brushing his sweaty hair out of his face

Richie never said anything about aftercare
